MEMBERSHIP APPLICATION/RENEWAL - 2023

Annual new and renewal membership applications to the Dwellingup Community Compact are due on 1 January 2023 for those who wish to join or renew their membership with the Compact. Applications can also be made throughout the year.

The Rules state that *“any person who supports the objects or purposes of the Association is eligible to apply to become a member”*.

The Rules also state *“The objectives of the Association shall be to foster the general development of the Dwellingup district, to represent the interests of the residents; to attain an attractive Dwellingup townsite and surroundings; and to coordinate the efforts of individual groups and societies to provide recreational and other communal facilities within the district.”*

The Association shall strive to represent a wide range of opinion within the district and to this end should never be influenced by party politics or religious movements.

The Associations Incorporation Act 2015 requires that any person who wants to become a member must sign a written application form and nominate a class of membership. The Association Committee must consider and decide to accept or decline each application. An applicant for membership of the Association becomes a member when the Committee accepts the application, and the applicant pays any membership fees payable to the Association under the Rules.

Annual Membership fees for individual members for 2023 are **\$10.00** per person.

Please fill in details on next page and return to the DCC.
